

Mistletoe Theme Is "Frosted Fantasy"

Shimmering icicles and soft lights, mingled with an air of mistletoe magic, will create the atmosphere for "Frosted Fantasy," STC's 1960 Christmas formal to be held in the rec room, Friday, December 9.

The formal, sponsored annually by the Association of Women Students, has no admission charge. Flowers are in order, and attire may be either formal or semi-formal.

A main feature of "Frosted Fantasy" will be the coronation of the Mistletoe royalty. Candidates for King and Queen are chosen from each class, and the final selection is made from these eight candidates by a vote of the student body at convocation. Results of the balloting are not disclosed until the night of the formal.

Co-chairmen of this year's formal are Marion Ferguson and Kathleen Cheseck. Co-chairmen of decorations are Sharene Blixt and Joan Zimmerman; floor show chairman is Mary Farley; publicity chairman is Delphine Lenzen, and Joan Lundholm is in charge of the punch. Gloria Cooper heads the dance program committee, while Becky Raveling and Johanna Limvere are in charge of crowns and scrolls.

I-R Council Plans Christmas Caroling

Wednesday, December 21, has been set as the date for the annual Christmas caroling party at STC. The caroling is an annual event at STC, and is planned under the auspices of the Inter-Religious Council.

The purpose of the caroling parties, is to help make the Christmas season a little brighter for shut-ins in Valley City. Carolers visit Mercy Hospital, Sheyenne Memorial Hospital, and the Lutheran Home for the Aged in Valley City, and sing Christmas songs for the benefit of patients.

Those wanting to take part in the singing are asked to meet at the college recreation room at 6:30 p.m. on Wednesday, December 21. Everyone is invited to attend. Lunch will be served immediately after the caroling to all those who take part in the program. The lunch will be in the rec room.

Boychoir Performance To Be Tomorrow Night

"Amahl and The Night Visitors", a modern opera by Gian-Carlo Menotti, will be presented by the famed Columbus Boychoir tomorrow night, December 6, at 8:15 p. m. in the city auditorium. The production will be the first in a series of four Valley City Artist Course presentations for 1960-1961.

The opera is quite well-known. It has been performed in New York City, and has been a Christmas season fixture for many years on television. Each year the lead soloist and the chorus members for the opera are chosen from the Columbus Boychoir School.

Last summer, with the assistance of the State Department's Special International Program for Cultural Presentations, the Boychoir, under the direction of Donald Bryant, performed in several South and Central American countries.

Now the Boychoir is bringing this opera to North American audiences for the first time in a touring version, with all scenery, costumes, and stage action being included in the presentation. While the performance of "Amahl and the Night Visitors" will be the main feature of the program, various favorites of past performances of the choir will also be included.

Ticket prices for this performance will be \$3.50 for adults, and \$1.00 for high school students. STC students, however, will be admitted by simply presenting their student activity ticket at the door.

Now in progress, and scheduled to continue through Friday, is the fourth in a series of STC Student Art Shows. Featured is the work of Fall Quarter art students. The display is located in the first room west of the business office.

Nine Students Named to Who's Who

Five Seniors, Four Juniors Are Elected

Nine STC students have been chosen to represent this college in Who's Who for 1960. The nine, pictured here, were selected with emphasis being placed on high scholarship, leadership and participation in college affairs, service to the college, character, and promise of future usefulness to business and society.

Who's Who is a national organization. It's representatives are selected each year from students enrolled in approximately 600 American colleges and universities. Each year a volume is published listing all new members and their respective colleges. The honor of being named to Who's Who is one of the highest honors a student can achieve.

Here are STC's representatives to Who's Who for 1960-61:

George Gaukler, a junior from Lidgerwood, North Dakota, is a major in science and math. He is a member of the Young Democrats, is junior class student council representative, and is president of the Hespiens.

Murriel Neys, a senior from Pingree, is a Who's Who selection for the second time. She has a major in elementary education. Murriel is a member of Kappa Delta Pi, national education honor society, Gamma Theta Upsilon, national geography honor society, Atheneums, and Newman Club. She is a former student council officer, and served as co-chairman of the 1960 Homecoming. She is also Inter-Society Council president.

Ron Lokken is a junior from Valley City. He is a transfer from the University of North Dakota, and is majoring in science and math. Ron is secretary of the Inter-Society Council, and is an active member of

Seated, left to right: Judy Nordgaard, Diane Pedersen, Jeanette Schaack, Murriel Neys, and Jeannie Nordgaard. Standing: George Gaukler, Joan Lundholm, and Ron Lokken. Not pictured is Veleete Peterson.

EBC's and the band. At the University, Ron was a member of both the student council and dorm council, and he also served as president of Phi Eta Sigma, freshman honorary society.

Diane Pedersen is a senior from Kensal. Her majors are English and math, and her activities include Kappa Delta Pi, Atheneums, and NCTE. Diane is treasurer of the STC student council.

Jeanette Schaack, whose home is Valley City, is a senior majoring in English and commerce. She is a member of Kappa Delta Pi, Pi Omega Pi, national business honor society, the Young Republicans, and the Delphi social society.

Jeannie and Judy Nordgaard, sisters from Valley City, are also members of this year's Who's Who group. Jeannie is a senior with a composite major in business education and English. She is active in LSA, NCTE,

and Pi Omega Pi, and is a member of the Delphi social society. She is also co-editor of this year's 'Viking' yearbook. Judy also has a composite major in business education and English. She is president of NCTE, and is an active member of LSA, Pi Omega Pi, and Delphi's. Judy is student council secretary this year.

Veleete Peterson, a junior from Bismarck, is majoring in elementary education. She is a transfer from Bismarck Junior College. Veleete was this year's Homecoming Queen at STC. She is an officer on the AWS board, and she is active in MSM, NCTE, and the Philomathian social society.

Joan Lundholm, a junior from Valley City, has a composite major in business education and English. She is active in LSA, NCTE, and the Delphi, and she is an officer on the Inter-Religious Council.

Fergy's Hideaway

What would STC students do without that impressive, brick structure just west of Old Main — Allen Memorial Library? Where else on the campus can you meet your friends (preferably those of the opposite sex), have a good bull session, and perhaps even procure a coffee date for nine? And there is no better place to become frustrated when a book report is due tomorrow and you are told at 8:59 p. m. that the book you need is out. Of course, the report was assigned four weeks

earlier; but the library could at least have bought two copies.

There is one thing, though, that the library has in excess—old books. Anyone who has ever tried to compile a bibliography for a term paper will confirm this fact. A careful check of the card catalog revealed an average copyright date of somewhere around the turn of the century. (Don't ask which century). By the way, for those who haven't been to the library yet (those who have boy friends or girl friends at home), the card catalog is not the same as the "Monkey Wards" catalog.

To keep the library budget low, the library employs student assistants. After a Trot Poll (branch of Gallup) of that select group, the assistants all agreed on one thing, "Down with the Science News Letter!" All students taking phi siphysical science will readily agree. Another pet peeve of the student assistants is hunting up an average of ten books in the stacks, and then the student decides he doesn't want any of them. But what easier way is there to keep trim?

Many other students also have a complaint concerning the library. Recently an official memo informed the student body that the library would be closed during Convocation. Now the students have to find another place to visit during Convo hour.

ited the STC archives, do it soon! About 8:45 p. m. is the best time. You'll be through with your study-

ing (in the relative calm of the dorm), and everyone at the library is thinking about leaving for coffee.

Should We Have Noon Classes?

Taking the "pro" side of the argument is Dale Koppelman. With so many activities to keep him busy, Dale is a difficult person to find at STC.

Besides being president of the EBC society and of the band, Dale is bandmaster at St. Catherine's High School and this quarter he also has the College High Band.

A senior from Lidgerwood, Dale is working on a composite major in music and a minor in geography. Besides school activities, he plays with the Kampus Knights' orchestra for both college and public dances.

Yes

Are you weary of standing in noon grill lines? Do you have a sinking feeling when you register and find all your needed subjects are scheduled for one hour? Are you tired of having a time lapse of four hours between your classes?

These are some of the problems that confront the upperclassmen. The first two years consist of planned schedules, but then the problems of duplication begin.

Noon classes. This is the answer! By utilizing this time of the day we can find more time for a variety in curricula. With a greater variability and flexibility in the time problem we could complete the courses necessary for a sound education, which will help us promote the school's activity.

For the working student, the noon class will help. It will allow him more daylight hours to work, because he will be able to complete his school day at an earlier time.

The question will immediately be asked, "When will we hold noon meetings?" It is doubtful that many of us have more than one noon meeting per week. This will be remedied by having one off period each week. This off period will fall on the same day for all classes giving one noon hour each week for meetings.

Student Council has looked into, checked and discussed the possibility of noon classes. They have found that this is a possible solution to alleviate scheduling problems now existing. Student Council also has taken steps to make noon classes a reality in the near future.

Noon classes are a step in the right direction to alleviate curricula problems. It would also cut down cafeteria congestion.

It is time we made our class day into an advantageous day with more class periods.

Taking the con side of the argument we have Miss Glenna Zaun. She is one of our most active students and gives a great deal of her time to helping our school. As a student she has chosen as her field an Elementary degree with a major in English and minors in Education and Psychology. Glenna belongs to the Delphi society and is their representative on the inter-society council and is the vice president of this council. AWS has chosen her as their president. She is co-editor of the annual and holds active membership in NCTE and LSA.

NO

It is obvious, noon classes are not the answer to our present problem, but only an avenue to bigger and more complex problems for the following reasons:

1. At present, the noon hour is the time when several organizations meet: Student Council, Inter-Religious Council and Inter-Society, along with Homecoming and formal committees. The Yearbook also uses this time for staff meeting and for taking pictures. If the noon hour were changed it would be impossible to have noon luncheons.

2. Only by limiting the length of evening meetings could our noon meetings be worked into the evening schedule. With the evenings more filled than they are now college functions would dominate the evenings leaving little time to study. As it is, Monday night is filled by WAA; Tuesday by Society meetings; Wednesday by Religious organizations; Thursday by SEA, Young

Democrats, and Young Republicans; and Friday, Saturday, and Sunday are date nights or times to go home.

3. The suggestion was made that all noon classes could have their off day on the same day. This creates more problems. First, often the off day of a class is changed for the convenience of the teacher or students; secondly, many class periods are made up on an off day; third, a larger problem would be created than now exists with all students having the same off period and crowding the grill. Until we have a student union or larger facilities this suggestion is impossible.

4. Why can't there be more afternoon classes? Seven class periods are sufficient. This would alleviate the grouping of essential classes in the morning. With such a change students will be able to arrange their schedules without difficulty. To verify the fact that we are not using the afternoons, look at the winter quarter schedule for two and three o'clock classes.

No, noon classes are not the answer. Let's not create more problems by creating noon classes.

Jim Burt Is Named Man of the Quarter

Jim Burt, twenty-two year old junior from Deerfield, Illinois, has been selected as STC's "Man of the Quarter" by the Delphi Society.

Delphi Choice

Jim is on a secondary degree with majors in business education and social science. He is vice president of the EBC Society, president of Pi Omega Pi, and president of the junior class. Last year Jim was co-chairman of the Valentine formal and this year he was co-chairman of Viking Homecoming.

"Man of the Quarter" is selected on the basis of personality, leadership, and academic record each quarter by the Delphi Society.

Alumni Association Hosts Fall Graduates

Fall graduates of STC were honored by the Alumni Association at a tea given November 21. Members of the faculty and former graduates were also invited to attend.

Mrs. Betty Strommen and Mrs. Claire McTavish poured. Mary Banning, Kathleen Sheldon, Donna Spillum and Tee Neuharth assisted in serving.

A tea for the graduates each quarter is one of the functions of the Alumni Association. Present officers of the group are: Mr. Arthur Dafoe, president; Miss Norleen Zaun, vice president; Mrs. Mildred Aune, treasurer; Mrs. Lois Wick, corresponding secretary; Miss Lena Vangstad, recording secretary; Mrs. Lillian Jacobson, Mrs. Juanita Luessen and Mrs. Olaf Aune, directors.

Diane's Data

Rush parties are well under way as we begin the new quarter. The purpose of these parties is to acquaint rushees with the societies. An invitation to a rush party does not mean that the rushee will be asked to join that society. No society can have more than forty members.

After all the rush parties have been held, each girl who was rushed receive a preference card on which she lists the societies she would like to join, in order of preference. A girl can choose only those societies to whose rush parties she was invited. If she does not wish to join any society, she signs the card without checking any numbers. Rushees must have a "C" average to join.

Each society on campus is busy with plans for rush parties and Christmas parties.

Atheneums held their rush party, November 22, in the rec room. Plans are being made for the annual White Elephant Christmas Party to be held on December 20.

Mrs. Jacobson entertained the Clonian society at a tea. Plans are

being made for the rush party on December 15.

Rush party plans are the main concern of the Delphis at the moment. Their party is scheduled for December 13.

Philo rushees were entertained in the home economics room on November 15. Plans are being made for a Christmas party in December and for initiation in January.

Movies were shown, cards were played and lunch was served to Tau Sig rushees on November 14 in the rec room. A pledge period is being planned for the new members. The society is sponsoring the Registration Dance tonight, December 5. Everyone is welcome to attend this all-college dance.

EBC alumni returned for the annual Pheasant Dinner on November 19 which was well attended by alumni and active members. The dance sponsored by the society that evening was also a huge success. On November 10, the society entertained rushees in the rec room. Plans are beginning for the EBC Hit Parade to be presented in April.

STC Art Exhibition Now In Progress

Now in progress, and scheduled to continue through Friday, December 9, is the fourth in a series of STC Student Art Shows. This art show, which has been on display since November 21, includes the finished art work of students enrolled in any 1960 Fall Quarter art class.

Mr. Carl Emmerich, art department head, urges all students to view new and different art projects which have been completed in the art department classroom. The art display is located directly across the hall from the art classroom, and directly west of the business office.

Office Announces Dates for Vacation

All classes will be dismissed for Christmas vacation December 23 thru January 8 according to an announcement from President Lokken's office.

Council Hears Students' Ideas

Suggestions brought to the Student Council include the possibility of having dances in the recreation rooms of East Hall and Mythaler Hall and of having the grill open in the evenings.

Robert Sogn, representing the Mythaler Hall council, suggested that on the weekends when there are no college dances, the dorms could sponsor a dance in their recreation rooms.

Another suggestion was made to have the grill open in the evening for the students. This is being looked into and may be done on a trial basis to determine whether or not it would pay for itself.

It was decided that at private dances the societies would each pay the janitor three dollars and the school would pay the other two dollars. But at a public dance, the societies would pay the entire five dollars.

More bulletin boards are being put up. The size of posters or signs on the bulletin board by the Grill is limited to 18 inches by 18 inches.

Letters have been sent to the city editors of newspapers recommending W. E. Osmon for the "Coach of the Year" award.

Dennis Grubb, freshman class representative, has joined the Student Council.

SEA Plans Party For December 15

The main feature of the SEA Christmas Party on Thursday, December 15, will be a dinner, prepared and served by members of the SEA. Carrying out a Christmas theme, the dinner, held in the Home Economics' room, will honor the new college faculty members. Marcia Bemis, chairman of the party, has a scheduled film and several musical numbers for the program. Mr. Murray Schwartz and Mr. Frank Boedecker are the SEA advisors.

Campus Religious Calendar

LSA — December 7, candy making party at Trinity Lutheran Church; December 14, Christmas program with lighting of Advent Candles.

MSM—December 7, Bible study; December 14, worship at Epworth Church; December 21, lecture; January 11, social concern.

NEWMAN—December 7, social with USF; December 14, discussion—"Mixed Marriages".

RWF — Discussions to be continued during December.

USF—December 7, social with Newman Club; December 14, social with RWF; January 11, Mr. Amundson to speak on the problems of faith.

December 21 — Caroling, sponsored by the Religious Council.

Thirty Grapplers Begin Matches

Since November 9, thirty grapplers under the supervision of Coach Al Evans have been preparing for matches which begin in the Winter Quarter. More men are expected to try out when the new school session begins.

Seven lettermen have returned this year. They are Al Larson, a heavyweight from Kathryn; Dennis Hendrickson, 145 pounds, from Nome; Ronald Litsey, 160 pounds, from Cando; Raymond Murdock, 177 pounds, from Linton; Bill Svenkesen, 167 pounds, from Wahpeton; Bill Lewinski, 157 pounds, from Valley City, and Jack Ramey, 191 pounds, from Linton.

Much responsibility is resting on Freshmen shoulders. Among those with high school wrestling experience are Ed Miller, a heavyweight, from Redfield High School in South Dakota; Ed Nystrom, 145 pounds, from Valley City; Darrell Nystrom, 177 pounds, from Valley City; Marty Schmidt, from Napoleon; and Ken Loudon, 123 pounds, from Lisbon.

College wrestling is a science in itself. The maneuvers and holds are based on timing, reaction, leverage and balance. It is an excellent, fast-moving spectator sport, and one in which the winning of a match depends entirely on the abilities of the two matmen involved.

B. B. Clinic Here Very Successful

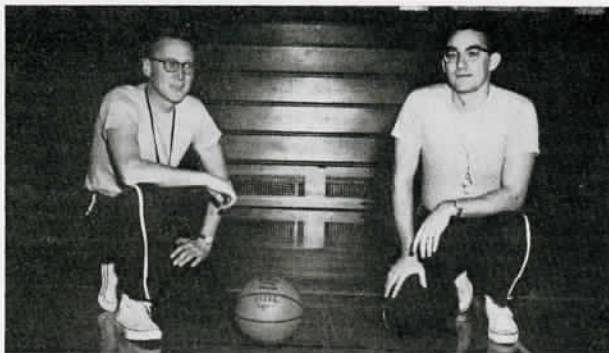

Two of this country's outstanding basketball coaches, Ben Carnevale and John Kundla, appeared at the 19th Annual Sports Clinic sponsored by the Athletic Department of the Valley City State Teachers College.

Ben Carnevale has been head basketball coach of the Naval Academy for fourteen years, during which time he has gained a record of 198-98, and has been named "Coach of the Year."

John Kundla, coach of the Minnesota Gophers, has just completed one year in the Big Ten Conference. He is the former coach of the Minneapolis Lakers, six time professional basketball champions.

STC Vikings, winners of four consecutive NDIAC championships, played the Huron College Scalpers on Friday, November 25, in the feature basketball game of the clinic.

Osmon and Lemon Are Ready!

Coaches "Bill" Osmon and Dale Lemon are ready to officially begin the season.

W. E. "Bill" Osmon, the STC varsity basketball coach, is beginning his fourteenth year with the Vikings.

He received his Bachelor's degree from the Valley City State Teachers College, and his Master's degree from Colorado State College. Mr. Osmon's Alma Mater called him in '47, and since then he has led the Vikings to five conference championships, four of these being in succes-

sion.

Mr. Dale Lemon is beginning his second successful year at STC. A native of Oklahoma, "Sooner" did his undergraduate work at the University of Arkansas, Drake University, Nebraska Wesleyan U., and received his Master's degree at the University of Nebraska in 1957. Mr. Lemon joined STC's faculty beginning fall quarter 1959.

Former Olympic Wrestler Here

Dr. Bill Koll, Iowa State Teachers College wrestling coach, headed a session on the fast-growing college sport at the Valley City Teachers College Sports Clinic Nov. 25 and 26.

Koll is a former ITC wrestler. He was NCAA 145 pound champion three times and represented the

United States in the 1948 Olympics.

He is now in his eighth season as ITC wrestling coach.

Koll held morning and afternoon sessions on the final day of the clinic, which also featured a special session for wrestling officials.

Hespies Remain Number One

Once again, the crack of a ball smashing into ten wooden pins signals the beginning of a winter pastime for many bowling fans.

The societies of STC have already placed the show on the road. According to present league standings (press time) the Hespies occupy first place in team play with a three game total of 2340, followed closely by the EBC's and the Lettermen's societies. Lyle Reese and Bruce Morstad are tied at the present with a 540 total. Graydon Pladson runs a close second with 537.

STC Wins Twice As Football Ends

STC Valley City Vikings concluded the 1960 football season with a win over Jamestown College, October 29 and Dakota Wesleyan College, Nov. 5.

The Jamestown and Valley City game, played at Jamestown, was won by the Vikings with a 16-7 victory. This win tied STC with Jamestown for fourth place position in the NDIAC standings, with both teams having a 3-3 record.

Ending the 1960 season was a game scheduled to be played with Ellendale Normal, but due to a number of injuries on the small Ellendale squad, the southern North Dakota school was forced to cancel the rest of their schedule.

On November 5, STC faced Dakota Wesleyan at Mitchell, South Dakota, to try and wind up the '60 football season with a win. Wesleyan, scoring first in the non-conference clash, was ahead at halftime 13-9. In the third quarter, the Vikings came from behind and maintained their lead, defeating the South Dakota school 29-19. This closed out the season for STC's gridders.

STC Vikings Place Two

Valley City State Teachers College Vikings placed two men on the North Dakota Intercollegiate Conference all-star football squad, selected by coaches at the annual winter meeting in Minneapolis. Bill Svenkesen was named as a back on the offensive team and Ray Murdock as a linebacker on the defensive team.

The all-star squad is composed of 23 men because of a tie vote at end on the defensive team.

Co-champions Dickinson and Mayville took a major share of the positions, with seven Savages and six Comets named to offensive and defensive units. Minot had three, Jamestown and Valley City two apiece, Ellendale and Wahpeton Science, one each.

The offensive team: ends—Darryl Gulbrandson, Mayville, and Dale Gee, Wahpeton; tackles—Ken Towers, Mayville, and Charles Pagel, Dickinson; guards—Don Klostreich, Jamestown, and Pete Kostelecky, Dickinson; center—David Larson, Dickinson; backs—Merril Reinhiller, Dickinson, Bill Svenkesen, Valley City, Graydon Rostberg, Mayville, and Al Saporito, Ellendale.

The defensive team: ends — Bob Feehey, Dickinson, and Jim Mann, Mayville, and Gene Maloski, Jamestown; tackles — Stan Mersberg, Mayville, and Al Godis, Dickinson; guards — Don Klostreich; linebackers — Ray Murdock, Valley City, and Rick Windon and Mel Opstad, Minot; backs — Stan Barta, Mayville; Doyle Dotson, Dickinson, and Jerry Bodine, Minot.

Chosen by the Viking football team were Bob Reynolds as the "Hardest Worker"; Bill Svenkesen as "Most Valuable Back"; Ed Miller as "Outstanding Freshman"; Jack Ramey, "Most Valuable Line-man", and Ray Murdock as "Most Valuable Line-backer."

Awards were presented to All Conference Players Svenkesen and Murdock at the Sportsmen's Club banquet on the evening of November 28 at the City Auditorium in Valley City.

STC Cagemen Start for Five

STC cagemen under Coaches Bill Osmon and Dale Lemon are shooting for the fifth straight NDIAC championship. Beginning the NDIC schedule is a home game on December 8 against Bismarck Junior College.

Returning lettermen this season are Gordon Baumgartner, Duane Baumgartner, Vern Davis, Don Grubb, Mike Haddican, Jim Knauss, Duane Lawrence, Jim Smith, and Gary Swenson.

Other varsity players who are new this year are Cliff Busch, Grand Forks; Kenneth Fry, Wahpeton; Dennis Grubb, Valley City, and Bill Vasey, a transfer from Nebraska whose home is at Sinclair, Wyo.

Twenty-two men are members of the all important B team.

The two freshmen who have been tapped for the varsity, Busch and Denny Grubb, are both Class A All-Staters. Busch played with Grand Forks and Grubb with the Hi-Liners.

Coming up from last year's "B's" is Fry, a letterman from the 1959-60 squad. Fry is a lefty who starred on the Wahpeton high school squad.

Game time December 8 is 8:00 p.m. at the City Auditorium. Student Activity cards will admit Vikings.

Peach Section Fourteen Skilled Players Chosen

Fourteen women were elected to an Honorary Varsity Volleyball team at a recent WAA meeting.

Chosen for the honor, because of their volleyball skill, the Varsity team includes: Arlene Johnson, Charlotte Tolton, Meredith Rasmussen, Diane Trautman, Karen Linzbach, Jean Bubach, Isabelle Matern, Mary Ann Engen, Darleen Hartman, Corrine Lipp, Mary Bartkowski, Pat Welch, Claire Flegel, and Bonnie Flaagen.

The volleyball tournament has been completed and the standing of the various teams has changed since the report in the last paper. Diane Trautman's team placed first in the final round. Second place honors were won by Arlene Johnson's team, and Karen Linzbach's team placed third. Charlotte Tolton's team ranked fourth in the standing, while Meredith Rasmussen's team was fifth. Pat Welch's team received honorable mention for taking sixth place in the tournament.

During the winter quarter the main sport will be basketball. A round robin tournament has been set up similar to the volleyball tournament.

Fall Quarter Grads Total Thirty-Three

Twenty students with degrees and thirteen students with standard diplomas graduated from STC at the end of the fall quarter.

Graduates from the degree curriculum included:

Janice Lorraine Anderson, Kindred; Gerald Dean Ankerfelt, McLeod; R. Iona Baker, Lisbon; Robert Broschat, Cathay; Dale H. Cameron, Wahpeton; Gertrude Narum Gillin, Sarles; Herbert Grenz, Bismarck; Maurice Orval Haugen, Cleveland; Joan Elaine Heidenreich, Kindred; James Wallace Isakson, Oakes; Edroy Allen Kringstad, Hoople; Kenneth A. Lettenmeier, Sanborn; Charles Andrew Licha, Valley City; Lois Elaine Nelson, Hope; Murriel Frances Neys, Pingree; Mabel M. Rosscup, Glasgow, Mont.; Jeanette LaVonne Schaeck, Valley City; Reiny Schneider, Hebron; Vernon Fred Wieland, Street; Lois Evelyn Wilke, Lisbon.

Receiving the standard diploma were:

Grace Ellen Anstrom, Baldwin; Sharie D. Bailey, Wishek; Keith Eugene Broadwell, Sanborn; Myonne Rosella Bye, Warwick; Coletta Margaret Dickhausen, Wales; Eldora R. Hendricks, Wyndmere; Delores Lucille Kapaun, Alice; Isabella Vetter Lauinger, Valley City; Jeanette Mae Lentz, Lidgerwood; Ethel Leona Moen, Nekoma; Jean Ann Quenemoen, Carrington; Gary Eugene Shaw, Makoti; Pearl Marie Wick, Robinson.

Class of '64 Elects Year's Leaders

Freshman class officers for the current year were elected recently. Officers are:

President — Clyde Sheldon, Wheatland.

Vice President — Beverly Kennedy, Crete.

Secretary — Joann Wieber, Lidgerwood.

Treasurer — Rita Sundstrom, Valley City.

Student Council Rep. — Dennis Grubb, Valley City.

Officers for the Freshman Class are usually not elected until the latter part of the Fall quarter, as many of the class members do not become acquainted with most of their classmates till after school has started.

Old Folks Treated By STC Vets Club

Residents of the Lutheran Old People's Home were treated to a turkey dinner with all the trimmings on Thanksgiving Day, November 24, by members of the STC Vets' Club. Each year, club members work together to make the dinner an outstanding event for all of the people at the home.

Members of a committee in charge of the dinner visited the Home prior to the dinner to see which foods would be most suitable. The food purchased by the club was then prepared by staff members of the Home. Ken Herman served as chairman of the committee in charge of arrangements. He was assisted by Vern Raen, Wayne Schoepach, and Eugene Henricks.

Judges Chosen For Fine Arts Festival

"Judges have been announced for the Fine Arts Festival in April," stated Mr. Carl Emmerich, STC Art Department head.

Mr. Robert Nelson, University of North Dakota; Mr. Dean Bowman, Concordia College; and Mr. Orlan Rourke, Rourke Gallery, Moorhead, will serve as judges. They will judge the amateur exhibition at the Festival on April 12-15.

Invitations to the Festival have been sent to all colleges in North Dakota and to neighboring colleges in Minnesota and South Dakota. Announcements have also been mail-

STC Election Party Attracts Collegians

Approximately 250 STC students gathered in the recreation room and grill November 8, 1960, for an Election Returns Party that was sponsored by the Young Republicans and Young Democrats.

Coffee and doughnuts were available throughout the evening as students watched the election returns on television sets that were provided in both rooms. Dancing and casual political discussions, as well as election outcome predictions kept the students entertained.

ed to North Dakota amateur painters throughout the state and entry blanks will follow in January.
