Prelude: Instrumental

Opening Prayer and Blessing

Gathering Song: *"Amazing Grace"*

Amazing grace, how sweet the sound
that saved someone like me.

I once was lost but now am found, was blind but now I see.

'Twas grace that taught my heart to fear,
and grace my fears relieved

How precious did that grace appear,
the hour I first believed.

When we've been there ten thousand years,
bright shining as the sun

We've no less days to sing God's praise
than when we'd first begun.

With God, our Creator, family all are we.

Let us walk with each other
in perfect harmony.

Let peace begin with me,
let this be the moment now.

With every step I take,
let this my solemn vow

To take each moment
and live each moment
in peace eternally.

Let there be peace on earth
and let it begin with me.

The Serenity Prayer

God grant me the serenity to accept the things I cannot change;
