Sunday, June 22, 2014, 2 pm | Orchestra Hall

Since the release of *Toy Story* in 1995, **Pixar Animation Studio's** 14 feature movies have given the world some of the most beloved characters in cinematic history and have carried audiences on fun-filled journeys, as Buzz Lightyear might say, "to infinity and beyond!" The musical scores and songs, composed by Randy Newman, Thomas Newman, Michael Giacchino and Patrick Doyle, add layers of humor, emotion and complexity to each film. Collectively, they have earned 10 Grammys, three Academy Awards and 10 additional Oscar nominations. This concert presents favorite themes from each of these unforgettable scores.
